PROFILE

Corinne brings a strong foundation in governance, evaluation, policy and local service delivery to the Summer Villages on Sylvan Lake. She has experience working with Alberta communities over the past 37 years in leadership roles including Chief Administrative Officer, Director of Corporate Services, Manager of Finance and Human Resources Coordinator.

Corinne retired on January 1, 2014 after serving 7 years as the Chief Administrative Officer for the Town of Blackfalds. Prior to Blackfalds, Corinne served the Town of Hinton for 30 years.

Corinne currently lives in Red Deer and, since her retirement, has managed a variety of consulting assignments for municipalities and organizations in Alberta. Her experience at the Town of Blackfalds means that she is familiar with our municipal partners around Sylvan Lake, including most of their Administrative leaders. She is also familiar with the priority issues facing Central Alberta, including the regional wastewater treatment consolidation into Red Deer.

All Alberta municipalities are currently working to meet the new requirements under the revised Municipal Government Act. To support these efforts Corinne brings an understanding of the demands and dynamics of local service delivery and the importance of intermunicipal collaboration. She also brings unique experiences from her 20-year involvement in the Federation of Canadian Municipalities (FCM) International Program.
