Request for Decision

Agenda Item: *Community Deadwood Cleanup*

Background:

Administration has been tasked with preparing for a community deadwood cleanup. Today's discussion should provide Administration direction on this event.

Some questions for consideration and discussion are as follows:

- Is this a single day, sponsored and hosted community event?
- Is this a weeklong, participate at your leisure event?
- Do we want bins on site or a pickup after the event?
- How should we communicate to the public about this? Signage?
- When should this take place?
- Should we target certain reserves or encourage folks to tackle the reserve closest to their home?
- What level of staff participation is required?

Options for Consideration:

- 1) Council to discuss and provide direction to administration.

Administrative Recommendations:

- 1) Council to discuss and provide direction to administration.

Authorities:

MGA 153 General duties of Councillors

- (b) "to participate generally in developing and evaluating the policies and programs of the municipality"
