

## Summer Village Property

---

- The Summer Village is working on creating a bylaw prohibiting the consumption of cannabis on public property.
- Please visit the website for updates –

## Resources

---

For more information, please visit the following websites:

- Government of Alberta –  
<https://www.alberta.ca/cannabis-legalization.aspx>
- Municipal Guide to Cannabis Legalization –  
<https://fcm.ca/Documents/issues/Cannabis-Guide-EN.pdf>

# Cannabis

Cannabis is legal across Canada as of October 17, 2018.

### Provincial Rules

---

Yes, cannabis is legal in Alberta, but

- Only if you're 18+
- Only from licensed stores or [albertacannabis.org](http://albertacannabis.org)
- 30 grams is the most you can buy or carry at a time
- You can't smoke in some public places – see *Summer Village Property*
- Only 4 plants can be grown per household
- Driving high is illegal
- It can't be within reach of anyone in a vehicle
- Edibles are not yet legal to sell
- Kids can't enter cannabis stores, even with an adult

### Summer Village Home Occupations

---

- The Summer Village already allows for home occupations (if approved prior to, by the Development Authority)
- Residential buildings are not constructed for cannabis cultivation
- Home occupations shall not detract from the amenities of a residential neighborhood by creating dangerous or objectionable conditions
- Cannabis facilities are located in commercial, industrial, or agricultural zoning districts where the Summer Village only has residential
- Please visit the website for any updates –
