## TOURIST HOME DEVELOPMENT APPLICATION PACKAGE

**Please review the Land Use Bylaw (LUB) 125/13 for the regulations pertaining to your development.**

### DEVELOPMENT PERMIT INFORMATION:

- Tourist Home means a discretionary use wherein a dwelling unit is offered for rent to guests for less than thirty (30) days.
- The Development Authority may refuse to accept an application if the required information has not been provided or if the quality of the information is insufficient to properly evaluate the Development Permit application.
- The applicant will be notified in writing within twenty (20) days of submission whether the application is deemed complete or incomplete. If the application is incomplete, the notice will identify the missing information and provide a timeline for submission. Once an application is deemed complete, the Development Authority has an additional forty (40) days to issue a decision on the Development Permit.
- A Development Permit is required to operate a Tourist Home. Tourist Home permits shall be issued for a period of twelve (12) months. A registered owner shall not operate more than one (1) Tourist Home within the Residential District (R), Residential A District (R-A), and Twin Rose Residential District (RTR). Registered owners are responsible for reapplying should they wish to continue operating a Tourist Home beyond the permit term.
- An issued Development Permit is subject to a twenty-one (21) day appeal period, beginning on the date the permit is issued.
- The operation of a Tourist Home is listed as a discretionary use; the application will be presented to the Municipal Planning Commission (MPC) for a decision. MPC meetings are scheduled as required and are open to the public. Applicants are encouraged to attend in case the Commission has questions regarding the proposal.
- Notwithstanding the issuance of a development permit, the Village does not assume responsibility that the plans and specifications as filed comply with the Safety Codes Act and Regulations. The granting of this permit does not relieve the owner or contractor from complying with the requirements of the Safety Codes Act, applicable regulations, Village bylaws, or any relevant Provincial or Federal statutes.
