

Deborah Kominko

Our family purchased our cabin in 2018 and since then we have enjoyed spending nearly every weekend in the Summer Village. I love the community, the serenity and the escape it provides from city life.

I am a professional pilot and flew commercial aircrafts for over 15 years. Currently, I work full-time in a management role in Calgary where I am responsible for ensuring compliance with Canadian Aviation Regulations, monitoring a large budget and managing a team of pilots. My husband is also a pilot and we have two school-aged children who are very busy with activities! I was one of the founding members of the Calgary chapter of Women in Aviation International and throughout my membership held various roles including Secretary, Activities Committee Chair and Outreach Committee Chair.

It would be an honour to represent residents of Sunbreaker Cove as one of three councillors. I am a firm believer in public service and would be excited for the opportunity to bring new energy and new ideas to the Council table. In promoting and looking after the interests of the Summer Village, I will rely on my leadership skills, my organizational skills and my commitment to working alongside residents, Council and staff. I am passionate about protecting our lake for future generations and ensuring our community is vibrant and continues to meet the needs of residents.

I would appreciate your support on Election Day.
