#### Finance

# **Request for Decision**

Agenda Item: 2nd Quarter Report

#### **Background:**

Administration would like to provde the following 2nd Quarter Financial information to Council.

Please be advised that these reports have been prepared prior to fully completing June monthend and shared costs.

### **Options for Consideration:**

Detailed 2<sup>nd</sup> Quarter Financial Report

#### **Administrative Recommendations:**

To accept the 2nd Quarter Financial Report as information.

#### **Authorities:**

MGA 207 (c) "advises and informs the council on the operation and affairs of the municipality"

2023

Second Quarter Financial Report

Prepared by

Tina Leer, Finance Manager

Presented to Council July 4, 2023

### 2023 Operating Budget to June 30, 2023

The 2023 Operating Budget reflects the increased costs of the Council approved 2023 Municipal Budget that shows a small increase of 1.65% over 2022. This increase will help to offset the substantial decrease in Municipal Sustainability Initiative (MSI) funding from the province and items currently being subsidized year over year.

#### Revenue:

Our Return on Investments is currently collecting 4.5% on the bank balance of \$2,081,434.70 as of June 30, 2023. This has created a significant increase in year to date return on investments revenue. Also, due to the recent Bank of Canada Interest Rate increase, this rate will be increased to 5.15% for the foreseeable future.

The MSI Operational of \$10,636 has not yet been received from the Province.

#### **Expenditures**

#### Council and Legislation:

Mayor remuneration is 50% spent, Deputy Mayor remuneration is 10% spent and the Councillor remuneration is 60% spent of the budgeted allocations.

Very minimal Council travel, subsistence and conference expenditures have been used to date.

Council Education Opportunities has \$2,080 remaining to be utilized on training and education for Council members.

Overall, 34% of the Council and Legislation budget has been used as of June 30, 2023.

#### Administration:

Administrative overall costs are at 56% mid-year. Computer Software and IT Equipment (Shared Costs) are slightly over budget as are the Advertising costs.

#### **Protective Services:**

2023 Policing costs have only been invoiced for the January to March portion of the year. The remaining \$17,206 will be invoiced in April of 2024 as the RCMP do not have the same yearend as we do. Enforcement costs at June 30<sup>th</sup> are \$1,984, not including salary.

#### Public Works:

Public Works is currently operating at 27% of the allocated budget and summertime municipal services also mean many expenses to pay for contract grass cutting and maintenance around the Summer Village. Wastewater useage fees have only been invoiced up to May from SLRWW.

#### Planning and Development:

Planning and Development is currently operating at 28% percent of it's budget. Expenses are mainly for Municipal Planning Commission expenses.

#### Recreation:

Parks and Recreation is operating at 45% of their allocated budget. The Lions Club has started at Petro Beach as of May 6<sup>th</sup> and will be invoicing for their services more regularly than in the past. The Town of Sylvan Lake normally invoices us for the Operational Recreation Grants in June, so it's expected that the Recreation budget will be fully utilized at the end of the year.

#### **Environment:**

Red Deer River Watershed has been paid and their allocation is now 100% utilized.

#### In Conclusion:

The Summer Village of Jarvis Bay is operating at 43% of their overall 2023 Operational Budget on June 30, 2023 and is on track to be within budget for yearend.

### 2023 Capital Budget to June 30, 2023

#### Revenue:

An MSI grant has been applied for the Administrative Building Improvements for \$17,710 in a shared application with the other 4 Municipalities (not approved yet).

A CCBF grant was applied for the Road Analysis in the amount of \$10,718, also in a shared application with the other 4 Municipalities. This grant application has currently been denied due to insufficient Asset Management software. Public Works Asset software and training has been ordered and should be functioning within the next few weeks.

No further grants have been applied for at this time.

#### Expenditures:

The Logo/Signage Project has used \$1,535 to date and the Administrative Building Improvements has spent \$1,715.86.

Overall, just \$3,250.86 has been spent in the 2023 Capital Budget as of June 20, 2023.

Alberta School Foundation Budget to June 30, 2023

Currently, the 2023 mill rates and requisitioned amounts have not been finalized through the required legislative process yet. In accordance with section 162(4) of the Education Act, if a municipality has not received the requisition by this date, the requisition will be based on the prior year amounts. As such the June 2023 invoices are still based on the 2022 requisitions.

A Provincial Education property tax comparison report is attached for further information.

# 2023 Assessment Growth and Summary Reports

The Summer Village of Jarvis Bay had a 3.8% Assessment increase from last year (reports from Wild Rose Assessment Services are attached).

# **MSI** Report

The 2021, 2022 and 2023 MSI Allocations have not been received due to lack of projects being submitted for to date. This amounts to \$320,233 in funding being accessible. The Twin Rose and the Logo/Signage projects, once tendered and applied for, will utilize \$100,000 of this remaining MSI funding (Report attached).

Reminder: MSI ends in 2023 and will be replaced with the Local Government Fiscal Framework (LGFF) beginning in 2024.

The time limits to spend MSI capital funding will be strictly enforced when MSI ends in 2023. Municipalities who have not expended their 2007 to 2018 allocations, including credit items on or before December 31, 2023 will be required to return those funds to the Government of Alberta and/or if applicable, the municipality will forfeit any 2007 to 2018 unpaid allocations. MSI funding, including credit items, from 2019 to 2023 will be transferred to the LGFF. Municipalities will still be able to access their 2019 to 2023 allocations under the LGFF.

Municipalities will not be able to submit any new MSI capital projects and/or MSI capital project amendments after December 31, 2023. However, new capital projects or existing MSI projects that may require additional funding can be considered under the LGFF.

Mr. Tanner Evans Chief Administrative Officer Summer Villages on Sylvan Lake #2 Erickson Drive Sylvan Lake, AB T4S 1P5

Dear Mr. Evans:

#### Subject: Highway 20 Functional Planning Study (from Highway 11 to Highway 12)

I am pleased to advise you that Alberta Transportation and Economic Corridors (TEC) has retained AECOM Canada Ltd. to complete a functional planning study for Highway 20 from Highway 11 to Highway 12, which is within your area of interest.

This assessment is anticipated to be completed by October 2024 and will include the following main objectives:

- Update the previous twinning plan of Highway 20 between Highway 11 and Highway 11A, and investigate the feasibility of roundabout upgrades at the major intersections.
- Recommend a Highway 20 twinning plan between Highway 11A and Highway 12.
- Provide a comprehensive access management plan within the study area. Assess the operational characteristics of the highway and its intersections and provide recommendations for interim and long-term improvements.
- Protect the land required and develop cost estimates for the highway improvements.

The study will include a formal public consultation component. Public input maybe gathered through inperson public open houses and/or online virtual open houses, as deemed appropriate by TEC. Stakeholder consultation will also be conducted at the administration level for each of the affected municipalities. An electronic copy of the final report will be provided to each municipality upon completion of the study. If requested, a municipal council presentation of the final study recommendations can be provided.

AECOM Canada Ltd. will be contacting your administration soon to obtain any information that may be relevant to the study, including land use plans and traffic assessments. It would be much appreciated if you could provide the contact information for an administration official who can represent your municipality for this study.

# **EOEP - Effective Meetings**

Join the inaugural offering of EOEP's newest course, Effective Meetings! The course builds on highly rated education sessions at recent ABmunis and RMA conventions by providing a full day interactive learning experience that will help participants:

- Understand what makes a great meeting and how you can help make meetings great
- Examine how rules of order and proper procedure enhance your meetings
- Discover ways to set up great decisions
- Identify action items that you can implement at your next council meeting

As an elected official, you spend a good chunk of your life in meetings. This course provides tools, tips, and ideas to make your meetings work best!

\*\*Please note this course is not applicable for associate or affiliate members.

# **EOEP - Municipal Corporate Planning and Finance**

Understanding municipal finances is fundamental to the job of an elected official. Municipal councils are expected to plan, govern and set policy for the best interests of their community. Sound financial planning and management is key to supporting a healthy municipality that can ensure that its current and future service commitments are funded in a sustainable manner.

It is important that elected officials understand how financial planning and monitoring align with the municipality's business cycle, including strategic planning, business planning and performance measurement. Elected officials need to understand their role in establishing and prioritizing competing service level demands on behalf of citizens and then determine strategies to fund those service level commitments.

\*\*Please note this course is not applicable for associate or affiliate members.

# **RMRF Legal Course**

\* Please note this course is not applicable for associate or affiliate members. The Reynold Mirth Richards and Farmer LLP legal pre-convention session will focus on two different subjects through the day:

CAOs: The One and Only

This session will cover a variety of topics related to the lifecycle of a Chief Administrative Officer, including hiring and firing, employment contracts, healthy communications between Council and the CAO and recognizing and cultivating the unique roles of Council and the CAO in a municipality. In addition, we will discuss some of the more mundane aspects of life as a CAO such as signing authority, going in camera and CAO duties and responsibilities.

## Back Off: Harassment in the Workplace

As employers, municipalities have an obligation to provide a safe workplace for employees, which includes providing a workplace free from bullying, harassment or intimidation. This session will address the recent increase in difficult ratepayer interactions and what options municipalities have available to them to avoid potential liability under Occupational Health and Safety legislation, Human Rights legislation, Workers Compensation legislation and the common law, including the brand new tort of harassment. But this session will also address internal challenges and the importance of those at the top leading by example.

#### **STUDY TOUR**

Edmonton International Airport (YEG) Airport City Sustainability Campus Tour Tuesday, September 26 from 2:00 pm to 4:30 pm (Complimentary)

Join us for an exciting tour of the Airport City Sustainability Campus, a hub of leading and emerging technologies from all sectors focused on aviation, commercial development and decarbonization. Having attracted \$1.5B in investment over the past nine years, the YEG campus houses many types of businesses in the transportation, cargo logistics, manufacturing, sustainability, technology development, training and tourism sectors. This tour will explore the Airport City Sustainability Campus' integrated ecosystem that spurs collaboration and innovation while fostering the commercialization of clean and emerging technologies.

Attendees will be picked up from the Edmonton Convention Centre, and will be dropped off at the same location at the conclusion of the study tour.

\*\* Timing for this tour overlaps with Pre-Convention sessions. If you are registered for Pre-Convention, please do not register for the YEG Airport Tour.

# 1.1 Agenda

#### 1.1.2 Adoption of the Agenda

Rilling asked if there were any additions or deletions to the agenda. There were none.

Motion by Len Phillips to accept the agenda as presented.

CARRIED PRLS 25/2023

#### 1.2. Approval of Minutes

Rilling asked if there were any amendments to the February 23, 2023 minutes. There were none.

Motion by Ray Reckseidler to approve the minutes of the February 23, 2023 meeting as presented.

CARRIED PRLS 26/2023

#### 1.3. Business arising from the minutes of the February 23, 2023 meeting

Rilling asked if there was any business arising from the minutes. There was none.

#### 2. Business Arising from the Consent Agenda

Rilling asked if there was any business arising from the consent agenda. There was none.

Motion by Barb Gilliat to approve the consent agenda as presented.

CARRIED PRLS 27/2023

#### 3.1. Approval of the 2022 Parkland Audit

Lindsey Bauman and Erin Switenky from Parkland's audit company, MNP, presented Parkland's audit. In their report, the auditors state:

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Library as at December 31, 2022, and the results of its operations, changes in its net debt, and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Parkland received a clean audit. Bauman noted the three items in the management letter from last year have been resolved, which shows the commitment of Parkland Staff to ensuring financial management is sound.

Motion by Elaine Fossen to approve the Parkland Regional Library Board 2022 Audit Findings, Report to the Board of Directors/Executive Committee for December 31, 2022, and the Financial Statements for December 31, 2022, as presented.

CARRIED PRLS 28/2023

#### 3.2 Audit Policy

Sheppard reviewed the potentially changed audit policy from the Parkland Policies and Bylaws document. At the March 16th Executive Committee meeting, staff were directed to create a draft policy allowing the Executive Committee of the board to approve the audit. Parkland's auditors

stated it is typical practice to approve financial statements at the initial presentation to a board or Executive Committee representing the board. Parkland's auditors are required to perform audit testing with the Parkland staff until the audit is approved.

Staff inquired with the Public Library Services Branch (PLSB) whether there were any legislative requirements that would impede the Executive Committee from being the body responsible for approving Parkland's audit. They responded that there is "nothing explicit in the legislation. However, it is implied that finances are the responsibility of the corporate board as a whole, not the Executive."

One advantage of having the audit approved earlier is that Parkland might receive its government operating grant and the rural library services grant earlier. Submitting an approved audit is one of the Government of Alberta's annual grant requirements.

After some discussion, a motion was made:

Motion by Joy-Anne Murphy to hold a special online meeting of the full board to coincide with the completion of the audit for the full purpose of approving the Parkland Audit.

DEFEATED PRLS 29/2023

Motion by Deb Smith to change PRLS Executive Committee policy to read "The Executive Committee is responsible for reviewing and approving Parkland's audit which will be forwarded to the board at the board's next meeting.

CARRIED PRLS 30/2023

Lindsey Bauman and Erin Switenky left the meeting at 11:09 a.m.

11:10 – 11:19 Comfort break

#### 3.3. 2024 Budget/Requisition Increase

Sheppard reviewed a preliminary budget for 2024 for information. In the budget, there were no changes made to the requisition, or salary and benefits lines, excepting to adjust for current staffing levels. In the case of provincial operating funding, staff assumed the increases announced this year will continue next year.

All other adjustments to specific lines throughout the budget are a reflection of estimates based on inflation or actual costs over previous years.

Without addressing salaries, there is an initial balance of +\$30,256 at this time.

Motion by Deb Coombes to receive for information.

CARRIED PRLS 31/2023

#### 3.4. Salary Grid

Sheppard explained. At the September 15, 2022 board meeting, following the Compensation Review presented by Dr. Margaret Law, a motion was made "to direct Ron Sheppard to work with Dr. Law to develop a seven-step payroll grid to replace Parkland's current grid". This motion was a result of a recommendation from the Compensation Review which stated: "The salary grid has an unusual number of steps. The recommendation is 5-8 steps, which is an estimate of the number of years that it takes to master the job." Currently, there are fifteen steps on Parkland's salary grid with uniform increments of 2.5%.

Based on Law's Compensation Review, Parkland's salary ranges were acceptable. However, the Executive Committee was unable to provide direction to staff regarding the adoption of a new salary grid.

The complexity of reducing the steps of the salary grid were such that the Executive Committee could not resolve the issue at their last two meetings. Instead, they decided to form a subcommittee which would examine this issue comprehensively. Reducing the steps of the grid encompasses Parkland's whole compensation philosophy, policy, and budget.

Since Parkland still has to develop a budget for 2024, the Executive Committee recommended using the current salary grid and compensation policy for one more year since it is unlikely a new grid can be established before the budget needs to be approved by the board in September.

Volunteers from the Executive Committee for the subcommittee include Deb Smith, Barb Gilliat, Len Phillips, and Janice Wing.

Motion by Deb Smith to use the current compensation policy to create the 2024 budget, and to create a subcommittee to work on creating a new compensation policy and salary grid.

CARRIED PRLS 32/2023

Motion by Les Stulberg to appoint Twyla Hale, Jul Bissell, and Stephen Levy to join the compensation review subcommittee.

CARRIED PRLS 33/2023

Twyla Hale left the meeting at 12:00 p.m.

#### 3.5. Marketing and Advocacy Committee Report

Norma Penney reviewed the Advocacy Committee report. She explained the history of the committee, its expansion to the other library systems, and its many recent efforts, especially those associated with the provincial election.

Despite recent increases to library grants from the Government of Alberta, the Advocacy Committee believes library boards need to still be visiting current MLAs to thank them for the additional grant funding with an undertone that ideally more needs to be done to sustain rural public library service in particular.

Many materials have been created to assist library boards with this advocacy effort.

After Penney's update, Sheppard reviewed the Marketing Report, and indicated where to find the latest Municipal ROIs on Parkland's website at the following URL:

Return on Investment - Parkland Regional Library System (https://www.prl.ab.ca/about-us/return-on-investmentprl.ab.ca)

Board members are strongly encouraged to download and print their municipal ROIs and present them to council.

In addition, Parkland has created a marketing strategy to contribute to the success of the main priorities that directly relate to the main goals of the Strategic Plan 2023-2025. This plan is meant to be a general guiding document, with detailed action items to be determined by Parkland staff.

Motion by Doug Booker to receive the Marketing and Advocacy Committee report for information.

CARRIED PRLS 34/2023

#### 3.6. ALTA Representative

Sheppard reviewed. Former Parkland Board member Bob Green is stepping down from his long-time position as the Parkland representative on the board of the Alberta Library Trustee Association (ALTA). His term will be ending on May 31<sup>st</sup> this year. Green has asked for nominations or volunteers to serve on the ALTA board.

Sheppard asked for nominations or volunteers. Barb Gilliat volunteered to be Parkland's new ALTA representative.

- 3.7.1. Director's Report
- 3.7.2. Library Services Report
- 3.7.3. I.T. Report
- 3.7.4. Finance & Operations Report

Rilling asked if there were any questions regarding the Director's Report, Library Services Report, I.T. Report, or the Finance and

Operations Report. There were none.

Motion by Len Phillips to receive the Director's Report, Library Services Report, I.T. Report, and Finance and Operations Report for information.

CARRIED PRLS 35/2023

#### 3.12. Parkland Community Update

**Stettler and Stettler County** formed an intermunicipal library board agreement three years ago, which has just expired. They have renewed the agreement for five more years and celebrated that fact on May  $4^{th}$ .

**The Penhold & District Public Library** have been running programs with the assistance of children from the community. In addition, their friends of the library group will hold an artisan gala with a chocolatier, caricature artist, and more.

**The Sedgewick & District Municipal Library** has been in their new location downtown for six months and support/demand for the library has continued to increase.

**The Village of Cremona** recommends a CBC podcast by Terry O'Reilly about marketing for libraries. They have also set up a small free library in their community and encourages others to do the same.

**The Clive Public Library** is holding a program called "Books and Cooks" for pre-school aged children that has been very popular.

**The Caroline Municipal Library** has been holding a program called "Sensory Wednesday" featuring sand and water play that has been extremely popular. They are also holding film nights through the summer.

Motion by Dana Kreil to receive the Parkland Community Update for information.

# Young at Heart Trade Show

Parkland attended the <u>Young at Heart Trade Show</u> in Red Deer earlier this week. We spoke with over 200 people about libraries. We got questions about ILL's and eResources, and many people shared their positive experiences and views of the library. Our goal was to raise awareness and encourage people to visit their local libraries to see all the amazing services offered, and we considered it to be a great success!

#### **Library Managers Coffee Break**

Member library managers are invited to a monthly virtual coffee break hosted by Parkland. We discuss upcoming events, changes, or challenges. It is a great opportunity to bounce ideas off other library managers, ask for or give feedback, and network with peers. You can find the recurring invitation in your calendar or reach out to Library Services if you need to be re-added at <a href="mailto:libraryservices@prl.ab.ca">libraryservices@prl.ab.ca</a>.

#### **MANAGEMENT'S REPORT**

#### To the Members of Parkland Regional Library System:

Management is responsible for the preparation and presentation of the accompanying financial statements, including responsibility for significant accounting judgments and estimates in accordance with Canadian generally accepted accounting principles. This responsibility includes selecting appropriate accounting principles and methods, and making decisions affecting the measurement of transactions in which objective judgment is required.

In discharging its responsibilities for the integrity and fairness of the financial statements, management designs and maintains the necessary accounting systems and related internal controls to provide reasonable assurance that transactions are authorized, assets are safeguarded and financial records are properly maintained to provide reliable information for the preparation of financial statements.

The elected board is composed entirely of neither management nor employees of the Library. The board has the responsibility of meeting with management and external auditors to discuss the internal controls over the financial reporting process, auditing matters and financial reporting issues. The board is responsible for recommending the appointment of the Library's external auditors.

MNP LLP, an independent firm of Chartered Professional Accountants, is appointed by the board to audit the financial statements and report directly to them; their report follows. The external auditors have full and free access to, and meet periodically and separately with, both the board and management to discuss their audit findings. The accompanying financial statements are the responsibility of the management of Parkland Regional Library System.

#### **Independent Auditor's Report**

To the Members of The Parkland Library Board:

#### Opinion

We have audited the financial statements of The Parkland Library Board (the "Library"), which comprise the statement of financial position as at December 31, 2022, and the statements of operations, changes in net financial assets, cash flows, changes in accumulated operating surplus, and remeasurement gains and losses for the year then ended, and schedules and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Library as at December 31, 2022, and the results of its operations, changes in its net debt and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

#### **Basis for Opinion**

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Library in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Library's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Library or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Library's financial reporting process.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or
  error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is
  sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material
  misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion,
  forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that
  are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness
  of the Library's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based
  on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that
  may cast significant doubt on the Library's ability to continue as a going concern. If we conclude that a
  material uncertainty exists, we are required to draw attention in our auditor's report to the related
  disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our
  conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future
  events or conditions may cause the Library to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

# PARKLAND REGIONAL LIBRARY SYSTEM NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

#### 1. Nature of activities

Parkland Regional Library System (the "Library") is an independent body established under the Alberta Libraries Act for the purpose of providing a variety of support services for the public libraries of rural Central Alberta.

The Library is exempt from tax pursuant to Section 149(1)(I) of the Income Tax Act of Canada,

#### 2. Significant accounting policies

The financial statements have been prepared in accordance with Canadian Public Sector Accounting Standards ("PSAS") and include the following significant accounting policies:

#### Cash and cash equivalents

Balances with original maturities of less than 3 months are included in cash and cash equivalents. Marketable securities with prices quoted in an active market are measured at fair value while those that are not quoted in an active market are measured at cost less impairment.

#### Revenue recognition

Member fees are recognized as revenue when the services have been provided.

Book and supply outside sales are recognized as product is shipped to the member library that placed the order through the Library.

Provincial funding and grants that are externally restricted are recorded as deferred contributions if the terms of the funding create a liability. These funds are recognized as revenue in the year in which the related expenses are incurred and the terms of the funding are met. Unrestricted provincial funding, miscellaneous and donations, and other revenue are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

All investment income is recognized when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

#### **Expenses**

Expenses are recognized as they are incurred and measurable based upon receipt of goods or services and/or legal obligation to pay.

#### Non-financial assets

Non-financial assets are assets that are not available to discharge existing liabilities but held for use in Library operations. Such assets have useful lives extending beyond the current year and are not intended for sale in the normal course of Library operations. The change in non-financial assets during the year, together with the excess of revenue over expenses, provides the changes in net financial assets for the year. Non-financial assets consist of the following:

#### i. Inventory for consumption

Inventory of materials and supplies for consumption is recorded in the financial statements at lower of the cost of the specific item or replacement cost.

Notes to the Financial Statements FOR THE YEAR ENDED DECEMBER 31, 2022

#### 2. Significant accounting policies (continued from previous page)

#### ii. Tangible capital assets

Tangible capital assets are recorded at cost, which includes all amounts that are directly attributable to acquisition, construction, development or betterment of the assets. Contributed tangible capital assets are recorded in the financial statements at fair market value at the time of contribution.

	Method	Rate
Vehicles	declining balance	30%
Building	straight-line	50 years
Technology equipment and systems	declining balance	55%
Furniture and fixtures	declining balance	20%
Equipment	declining balance	20%

A full year of amortization is calculated in the year of acquisition. No amortization is calculated in the year of disposal.

Tangible capital assets are tested for impairment whenever events or changes in circumstances indicate that their carrying amounts may not be fully recoverable. An impairment loss is recognized when and to the extent that management assesses the future useful life of an asset to be less than originally estimated.

#### iii. Prepaid expenses

Expenses paid in advance where services have not been performed or materials have not been received.

#### Use of estimates

The preparation of financial statements in accordance with PSAS requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the statement of financial position date, and the reported amounts of revenue and expenses during the reporting period. Key components of the financial statements requiring management to make estimates include the provision for doubtful accounts in respect of receivables, the cost and net realizable value of inventories, employee benefit obligations, the useful lives of long-lived assets and the potential impairment of assets. Actual results could differ from these estimates.

These estimates and assumptions are reviewed periodically and, as adjustments become necessary, they are reported in excess of revenue over expenses in the periods in which they become known.

#### Long-term investment

Investments are recorded at fair market value, based on quoted prices in an active market, including accrued interest. Unrealized changes in fair value are recognized in the statement of remeasurement gains and losses until they are realized, when they are transferred to the statement of operations.

#### Foreign currency translation

These financial statements have been presented in Canadian dollars, the principal currency of the Library's operations.

Transaction amounts denominated in foreign currencies are translated into their Canadian dollar equivalents at exchange rates prevailing at the transaction date. Carrying values of monetary assets and liabilities reflect the exchange rates at the balance sheet date. Gains and losses on translation or settlement are included in the determination of excess of revenue over expenditures for the current period.

#### Reserves for future expenditures

Reserves are determined at the discretion of the board to set aside funds for future operating and capital expenditures. Transfers to and/or from reserves are reflected as an adjustment within accumulated surplus.

Notes to the Financial Statements FOR THE YEAR ENDED DECEMBER 31, 2022

#### 2. Significant accounting policies (continued from previous page)

#### Financial instruments

The Library recognizes financial instruments when the Library becomes party to the contractual provisions of the financial instrument.

#### Arm's length financial instruments

Financial instruments originated/acquired or issued/assumed in an arm's length transaction ("arm's length financial instruments") are initially recorded at their fair value.

At initial recognition, the Library may irrevocably elect to subsequently measure any arm's length financial instrument at fair value. The Library has not made such an election during the year. All financial assets and liabilities issued/assumed in an arm's length transaction are subsequently measured at amortized cost, except for marketable securities that are measured at fair value.

Transaction costs and financing fees directly attributable to the origination, acquisition, issuance or assumption of financial instruments subsequently measured at fair value are immediately recognized in excess of revenue over expenses. Conversely, transaction costs and financing fees are added to the carrying amount for those financial instruments subsequently measured at cost or amortized cost.

#### Financial asset impairment

The Library assesses impairment of all its financial assets measured at cost or amortized cost. The Library groups assets for impairment testing when available information is not sufficient to permit identification of each individually impaired financial asset in the group. Management considers whether the issuer is having significant financial difficulty; whether there has been a breach in contract, such as a default or delinquency in interest or principal payments in determining whether objective evidence of impairment exists. When there is an indication of impairment, the Library determines whether it has resulted in a significant adverse change in the expected timing or amount of future cash flows during the year.

The Library reduces the carrying amount of any impaired financial assets to the highest of: the present value of cash flows expected to be generated by holding the assets; the amount that could be realized by selling the assets at the statement of financial position date; and the amount expected to be realized by exercising any rights to collateral held against those assets.

Any impairment, which is not considered temporary, is included in current year excess of revenue over expenses.

The Library reverses impairment losses on financial assets when there is a decrease in impairment and the decrease can be objectively related to an event occurring after the impairment loss was recognized. The amount of the reversal is recognized in excess of revenue over expenses in the year the reversal occurs.

#### 3. Change in accounting estimate

Effective January 1, 2022, the Library revised the amortization rate for technology equipment and systems from 30% declining balance to 55% declining balance. This change was applied prospectively and prior year results have not been restated. For the year ended December 31, 2022, the change resulted in an increase of \$33,736 in accumulated amortization on technology equipment and systems and amortization expense.

Notes to the Financial Statements

FOR THE YEAR ENDED DECEMBER 31, 2022

#### 4. Cash and cash equivalents

Cash accounts bear interest at bank prime rate of 6.45% (2021 - 2.45%) less a percentage based on balance held during the year. At year-end, the unrestricted cash balances bear interest at prime less 1.90% (2021 - prime less 1.90%) on \$1,070,873 (2021 - \$900,425) and prime less 1.90% (2021 - prime less 1.90%) on \$423 (2021 - \$3,883).

#### 11. Local Authorities Pension Plan

Employees of the Library participate in the Local Authorities Pension Plan (LAPP), which is one of the plans covered by the Alberta Public Sector Pension Plans Act. The LAPP serves about 281,764 people and 435 employers. The LAPP is financed by employee and employer contributions and by earning investment earnings in the LAPP fund.

Contributions for current service are recorded as expenses in the year in which they become due.

The Library is required to make current service contributions to the LAPP of 8.45% of pensionable earnings up to the year's maximum pensionable earnings under the Canada Pension Plan, and 12.80% on pensionable earnings above that amount.

Total service contributions by the Library to the LAPP in 2022 were \$118,260 (2021 - \$130,419). Total current service contributions by employees of the Library to the LAPP in 2022 were \$105,404 (2021 - \$114,811).

As at December 31, 2021, the LAPP disclosed an actuarial surplus of \$11,922 billion (2020 - \$4.961 billion), LAPP has not yet disclosed the actuarial surplus or deficiency as at December 31, 2022.

#### 12. Economic dependence

The Library is dependent on funding from government grants to maintain its operations. In 2022, the Province of Alberta contributed \$1,549,301 (2021 - \$1,489,125) of revenue to the Library, equalling approximately 42% (2021 - 42%) of total revenue. If funding is not received, its operations would be significantly reduced.

#### 13. Financial instruments

The Library, as part of its operations, carries a number of financial instruments. The financial instruments consist of cash and cash equivalents, accounts receivable, investments, accounts payable and accruals, and book allotment. It is management's opinion that the Library is not exposed to a significant interest, currency, market, liquidity, or credit risks arising from these financial instruments except as otherwise disclosed.

#### Credit risk

The Library is exposed to credit risk as it grants credit to its members in the normal course of operations. The risk is mitigated by the fact that the receivables are from municipalities. The Library is exposed to credit risk as it has purchased bonds which are included in investments. The risk is mitigated by the fact that the Library has only purchased bonds issued by the Federal or Provincial governments.

Accounts receivable from two member libraries (2021 - three member libraries) in connection with trade receivables represents 22% (2021 - 47%) of total accounts receivable at December 31, 2022. The Library believes that there is minimal risk associated with the collection of these amounts. The balance of accounts receivable is widely distributed among the remainder of the library municipalities and customer base.

#### Interest rate risk

Interest rate risk is the risk that the value of a financial instrument might be adversely affected by a change in the interest rates. Changes in market interest rates may have an effect on the cash flows associated with some financial assets and liabilities, known as cash flow risk, and on the fair value of other financial assets or liabilities known as price risk. In seeking to minimize the risks from interest rate fluctuations, the Library manages exposure through its normal operating and financing activities. The Library is exposed to interest rate price risk primarily through its fixed rate investments and variable rate cash.

#### Market rate risk

The Library is exposed to market rate risk on its investments due to changes in quoted market rates on investments.

#### 14. Contingency

In 2020, the Library received a human rights complaint from an employee. This complaint remains at an early stage and is waiting on the Alberta Human Rights Commission. At this time, it is not possible to predict the ultimate outcome of this human rights complaint or to estimate any loss, if any, which may result. There has been no change from prior year.

Notes to the Financial Statements

FOR THE YEAR ENDED DECEMBER 31, 2022

#### 15. Comparative figures

Certain comparative figures have been reclassified to conform with current year presentation.

#### 16. Approval of financial statements

These financial statements were approved by the Library board on May 18, 2023.

# PRLS BOARD TALK

# Highlights of the Parkland Regional Library Board Meeting MAY 18, 2023

# **Audit Report Approved**

Parkland's audit was presented to the board by MNPs Lindsey Bauman and Erin Switenky.

Parkland received a clean audit. Bauman noted that three of the five items in the management letter from last year have been resolved.

A copy of the Auditor's Report and Report to the Board has been sent to your municipality.

# **Audit Policy**

Sheppard reviewed the potentially changed audit policy from the Parkland Policies and Bylaws document. At the March 16th Executive Committee meeting, staff were directed to create a draft policy allowing the Executive Committee of the board to approve the audit. Parkland's auditors stated it is typical practice to approve financial statements at the initial presentation to a board or Executive Committee representing the board. Parkland's auditors are required to perform audit testing with the Parkland staff until the audit is approved.

One advantage of having the audit approved earlier by the Executive Committee is that Parkland might receive its government operating grant and the rural library services grant earlier. Submitting an approved audit is one of the Government of Alberta's annual grant requirements.

After much discussion, the board agreed to the policy change.

# **ALTA Representative**

Former Parkland board member, Bob Green, has stated his intention to step down from his long-time role as ALTA board member and Area 3 representative on May 31st. A call for nominations or volunteers resulted in Barb Gilliat, from the Village of Alix, volunteering for the position. Thank you, Barb!

## 2024 Budget/Requisition Increase

Sheppard reviewed the proposed budget for 2024. Even without taking into account salary increases, it will be a tight budget year despite additional provincial funding.

## Salary Grid

In September of 2022, a compensation review was performed by Dr. Margaret Law. Out of that review a motion was made by the board "to direct Ron Sheppard to work with Dr. Law to develop a seven-step payroll grid to replace Parkland's current grid". This motion was a result of a recommendation from the Compensation Review which stated: "The salary grid has an unusual number of steps. The recommendation is 5-8 steps, which is an estimate of the number of years that it takes to master the job."

The complexity of reducing the steps of the salary grid were such that the Executive Committee could not resolve the issue at their last two meetings. Instead, they decided to form a subcommittee which would examine the issue comprehensively. Reducing the steps of the grid encompasses Parkland's whole compensation philosophy, policy, and budget.

Seven volunteers for the subcommittee include Deb Smith, Barb Gilliat, Len Phillips, Janice Wing, Twyla Hale, Jul Bissell, and Stephen Levy.

It is hoped that the new Compensation Policy will be completed in time to be incorporated into Parkland's 2025 budget.

# Marketing and Advocacy Report

Norma Penney reviewed the Advocacy Committee report. She explained the history of the committee, its expansion to the other library systems, and its many recent efforts, especially those associated with the provincial election.

Despite recent increases to library grants from the Government of Alberta, the Advocacy Committee believes library boards need to still be visiting current MLAs to thank them for the additional grant funding with an undertone that ideally more needs to be done to sustain rural public library service in particular.

Many materials have been created to assist library boards with this advocacy effort.

After Penney's update, Sheppard reviewed the Marketing Report, and indicated where to find the latest Municipal ROIs on Parkland's website at the following URL:

Return on Investment - Parkland Regional Library System (https://www.prl.ab.ca/about-us/return-on-investmentprl.ab.ca)

Board members are strongly encouraged to download and print their municipal ROIs and present them to council.

In addition, Parkland has created a marketing strategy to contribute to the success of the main priorities that directly relate to the main goals of the Strategic Plan 2023-2025. This plan is meant to be a general guiding document, with detailed action items to be determined by Parkland staff.

#### Committee News from Trustees

**Stettler and Stettler County** formed an intermunicipal library board agreement three years ago, which has just expired. They have renewed the agreement for five more years and celebrated that fact on May 4<sup>th</sup>.

**The Penhold & District Public Library** have been running programs with the assistance of children from the community. In addition, their friends of the library group will hold an artisan gala with a chocolatier, caricature artist, and more.

**The Sedgewick & District Municipal Library** has been in their new location downtown for six months and support/demand for the library has continued to increase.

**The Village of Cremona** recommends a CBC podcast by Terry O'Reilly about marketing for libraries. They have also set up a small free library in their community and encourages others to do the same.

**The Clive Public Library** is holding a program called "Books and Cooks" for pre-school aged children that has been very popular.
