

My name is Jeff Ludwig. Our family has resided as winter and summer residents in Norglenwold for the past 26 years, as well as sharing our time in Red Deer. We've enjoyed our retreat to "the cabin" as well as our opportunities to be part of a bigger social neighborhood forging close bonds with many near and dear neighbors.

Married to my wife Jan (school teacher) for 42 years. We have two grown children, (daughter in Red Deer and a son in Calgary) and 4 grandchildren.

I am recently retired, after 35 years in the private sector.

I have enjoyed my 4 years on council, in the position of Mayor. I had the opportunity to sit on many committees, and commissions. In this time on council I have met lots of people that I would not have otherwise encountered, and feel I am richer for it.

I feel that there is still lots of work to do in the Summer Village, and would like to see some of these items completed.

Thank you.
