

My name is Natalie Sugden, and I am a **full-time** resident of Sunbreaker Cove seeking to represent you on the village council. Over the past several months, I have been attending Council meetings in order to develop an understanding of the happenings in both our community and beyond, and to build and better my relationships with other community members. I have also been active within Sunbreaker Cove's social media groups in order to gain a better idea of community dialogue and to understand the issues faced by the same members I hope to represent.

My greatest accomplishments are being the wife of my amazing husband for 30 years (this year!) Raising 4 fantastic kids ( now adults!)and am blessed with my first grandbaby that just turned one.( He is a DREAM!) Family fun and making memories is definitely what I am about!

Currently I am the owner of the company Property Magic which specializes in residential design. You will usually find me painting, building and making over properties into dream spaces on a frugal budget.

I am an event planner, organizer, and a volunteer committee member that assists helping Mexican families increase their quality of life through education for kids, providing electricity to villages and we 1set up fresh water access.

I have an extensive background working with deaf and autistic children as well as assisting the elderly with homecare.

I would love the opportunity to represent you and our wonderful community. I love to help others!

I am readily available to answer any questions, hear feedback, make positive changes and protecting our beautiful community.

**Thank you!**
