Dear Resident,

The Summer Village of Sunbreaker Cove's Dock and Mooring Bylaw was revised February 2023. Please be aware that changes were made to:

- Separation distances between mooring areas (Sections 5.5 and 6.4).
- Consents to be provided (Sections 7 through 9).
- Areas for which applications will be considered (Section 10.)

The application package has also been updated to allow applications to be submitted for Mooring Administration Segments (MAS) B1, B3 and B4.

While we are still limiting applications for administrative reasons, it is hoped that all docks will take steps to be compliant with the bylaw.

Web links to the bylaw and application package can be found at:
