YOUR OPINION MATTERS!! Council encourages all residents to make their voice heard by voting on September 5th.

Due to the risk of Covid-19, only one resident will be permitted in the voting station at a time. We ask all residents to respectfully wait outside and maintain a safe social distance from each other. We are offering voting by special ballot and while following Alberta health guidelines, encourage the special ballot option to prevent the risk associated with overcrowding at the voting station.

You must be an eligible voter to vote in the 2020 Vote of the Electors. An eligible voter is 18 years of age or older, a resident of Alberta, must be on title or be the spouse of the person on title, or be a permanent resident of the Summer Village. Seasonal residents who do not own property in the Summer Village are not eligible to vote. Government issued photo ID must be provided and/or proof of residency.

Special Ballots are available upon request if you are unavailable to vote on election day due to physical disability, or if you will be absent from the local jurisdiction. **The Special Ballot Request form is available on the Summer Village of Birchcliff website or by email request to the Returning Officer.** Special ballots are sent via Canada Post so please submit your request forms as soon as possible to ensure receipt at the office by September 5th.
