HIGHLIGHTS OF THE REGULAR COUNCIL MEETING
JULY 31, 2026

ORGANIZATIONAL MEETING

Council held its Organizational Meeting and confirmed the current appointments for the coming year. Council members will continue to serve in the following roles:

Mayor:	Rod Miller
Deputy Mayor:	Murray Munro
Councillor:	Cyril Gurevitch

REQUEST FOR COUNCIL TO REIMBURSE DAMAGED SEPTIC PIPE

A resident appeared before Council to request reimbursement for costs incurred to replace a damaged septic pipe, which he believes was damaged as a result of the recent sewer flushing activities. After consideration, Council denied the request, citing the age of the infrastructure and confirming that all standard operating procedures were followed during the flushing process. Based on the information available, there was no evidence that the work was performed improperly or that the sewer flushing caused the damage.

REQUEST FOR COUNCIL TO REPLACE CHIPMUNK CREEK TRAIL PLAQUE

A resident requested that Council replace the missing Chipmunk Creek plaque. Council directed Administration to investigate replacement options and report back with recommendations.

SNOW REMOVAL POLICY REVIEW

Council reviewed the Snow Removal Policy and considered amendments recommended by the Public Works Department to provide Administration with greater flexibility in its implementation. During the discussion, Council noted ongoing concerns regarding residents pushing snow across roadways and into ditches. This practice contributes to drainage issues and narrows the roadway, creating safety concerns and contravening municipal bylaws. Residents are reminded that snow removed from their properties must be piled and stored on their own property and not deposited on municipal roads or within ditches.

Association of Summer Villages Conference Silent Auction

Council agreed to support the silent auction occurring at the annual conference in October by providing a cash donation of $500.00.

ENCROACHMENT POLICY

Council discussed the proposed encroachment policy and suggested amendments. The policy will be brought forward again at the next Council meeting.

COFFEE WITH COUNCIL

Council will be hosting a Coffee with Council session on Saturday, August 22, 2026, from 10:00 a.m. until 12:00 p.m. at the Administration Office. Council is looking for feedback on potential improvements to the park space adjacent to Range Road 15, otherwise known as Open Space 11.

The July 31, 2026, property tax payment deadline has now passed. Penalties were applied to all outstanding tax balances effective August 1, 2026. If your property taxes remain unpaid, please contact the Municipal Office as soon as possible to discuss payment arrangements.
