AQUATIC INVASIVE SPECIES REPORTING

Aquatic invasive species (AIS) are non-native organisms that have been brought from other places into Alberta's water. These species cause, or have high potential to cause, harm to our environment, economy and human health as they become established outside their natural range. Many AIS are very difficult to eradicate once they are established, so prevention is essential.

All Prohibited AIS must be reported within 14 days as per Fisheries (Ministerial) Regulation Section 6.2 **AIS Hotline**: 1-855-336-2628 (BOAT) **Email**: epa.ais@gov.ab.ca
