Summer Village of Norglenwold

HIGHLIGHTS OF THE REGULAR COUNCIL MEETING
OCTOBER 2, 2026

ENCROACHMENT POLICY

At the July 31, 2026, Council meeting Council reviewed the encroachment policy and directed Administration to make minor amendments. The policy was brought back to the October 2nd meeting and adopted as presented. The amendments were as follows:

#e - requirement for a Real Property Report in the policy to reflect the requirements in the encroachment agreement;

#3 - "letter of consent or license agreement" replaced with term of encroachment agreement.

CHRISTMAS DONATION

Council discussed and approved their annual Christmas donation to match was was done last year. $400 was donated to the Sylvan Lake Christmas Bureau and $500 was donated to the Sylvan Lake Food Bank.

DOCK AND MOORING BYLAW #295-26

Council gave 1st reading to the Dock and Mooring Bylaw #295-26 at their March Council meeting. The Bylaw was brought back to the April Council meeting where it was tabled until after the Annual Information Meeting to allow for resident feedback. Having received very little comment from residents, Council proceeded with 2nd reading.

STRATEGIC PLANNING

Council will be meeting to discuss priorities and initiatives for the development of its Strategic Plan. The information gathered during these discussions will be presented to Council at the October 30 Council meeting for consideration and adoption.

SPEED LIMIT

Council discussed ongoing concerns regarding speeding within the Summer Village by both contractors and residents. Council would like to remind everyone to observe the posted speed limit of 30 km/h and to exercise caution while driving throughout the community to help ensure the safety of all residents and visitors.

PARKING CONCERNS

Peace Officer Thibeault attended the Council meeting to discuss ongoing parking issues within the Summer Village. Signage at both entrances to Norglenwold clearly indicates that parking is prohibited at any time on roadways and within drainage ditches.

Council continues to receive concerns regarding contractors parking in unauthorized areas, which can impede traffic flow and cause damage to grassed areas and drainage infrastructure. Residents are reminded that parking is not permitted on the lakeside of the road, as private properties are located adjacent to the roadway in these areas.

Administration will be reviewing existing signage to improve clarity and consistency and will also revisit the parking bylaw to determine whether amendments may be required to address ongoing concerns.

NEXT REGULAR MEETING OF COUNCIL
OCTOBER 30, 2026 @ 9:00 A.M.
